2NG Partners Is The Leading Law Firm In Vietnam

2NG partners has the reputation for **real-time IP monetisation in action, unlike any others in the IP industries**. Our intellectual property specialists provide a flexible, one-stop service that can manage and protect your critical IP assets globally.

We strive to maximise the commercial value of our client's IP assets and to ward off unwelcome IP claims from third parties. These assets are embodied principally in **patents, trade marks, unfair competition rights, domain names, designs, copyright** and **confidential information**.

Our IP lawyers, provide well-informed, accessible and accurate information that will help internationally and domestically clients to achieve more. While our work spans many industry sectors, from financial, to manufacturing, to IT, we have maintained a strong focus on the pharmaceutical, healthcare and biotechnology sector.
